

23.09.19

Dear Parents/Carers,

Following the fire on the Pankhurst Estate on Friday, we are writing to our community to offer our support to any of our families who may be affected. We have tried to identify these families ourselves but we would like to make sure we do not miss anyone.

If you feel you or your child needs support in any way please get in touch with the school immediately and we will be able to help. We have spoken to all the children today to offer emotional support but they may not always come forward.

If you have been moved to temporary accommodation and would appreciate your children having some more space to run around, we should be able to offer temporary places in the After School Club or Breakfast Club.

Longer term, we will be bringing forward our fire safety modules which will now be taught in the week after half-term.

To donate to the support fund please go to www.gofundme.com/f/pankhurst-flats-fire-campaign or you can drop off money at the school.

Best wishes,

Jonathan Cooper
