

# Reception

**What is the same and what is different  
about each other?**

**What makes me feel happy and  
proud?**

**How can we make others feel cared for  
and important?**

# At home...

**Look at someone at home and face them.**

**What do you notice that is the same about each other?**

**What is different?**

**Are there things that are the same that we can't see?**

**Are there things that are different that we can't see?**

**We might have different hair.  
We might have different skin.  
We might have different eyes.  
We might have different languages.  
We might have different families.**

**Time for lunch—what a spread!**  
A dozen different kinds of bread.  
Pass it around till everyone's fed.

**All are welcome here.**

**What kind of bread do you like to eat?**

**What sort of food do you like to eat?**

**Is your favourite food the same as  
other people in your house?**

# Ask someone at home what they like to eat.

## Let's make a list of our home foods.

**Make a plate of your favourite food from home!**

# What would you do if someone was mean about the food a child had in their lunchbox at school?

What can you say or do if someone is mean to you or someone else?

I don't like it when...

Stop that!

I'm going to tell a grown up

What else could you do or say?

# What can we do to make everyone feel happy, safe and respected?

Listen well

Speak with  
a kind voice

Care for  
others

Enjoy our  
differences

Take turns

**We all have the right to feel safe all the time.  
We can talk with someone about anything,  
even if it seems awful or small.**

**Who is on your  
helping hand?  
Who can you talk  
to if you are  
worried?**
