

We hope you enjoyed the short film about Elm Grove School. I am very proud to be the headteacher here.

Every day myself, along with the whole staff team, strive to provide the best possible educational provision for our pupils; in a nurturing and supportive environment.

Our vision statement of, 'Everyone Included, Everyone Valued, Learning and Thriving Together', encapsulates our ethos. We want our pupils to enjoy their primary experience with us, preparing them for their secondary education and beyond, with a life long love of learning.

We encourage them to develop their health and fitness through our many sporting activities and opportunities, explore their creativity, build on their self confidence and friendships, and have fun in our ever developing playground spaces.

Please do not hesitate to email me if you have any further questions:
