

Dear Year 2 Parents/Carers,

The children are settling in to year 2 very well. There are a couple of things we need to mention:

TOPIC WEB

Our exciting topic this half term will be 'Leaf' and will focus on the story 'Leaf' by Sandra Dieckmann. Please read the topic web attached for this term. This will give you an understanding of what your children are learning.

READING BOOKS

We are currently assessing the children's reading so that they can bring home reading books which are appropriate for their reading level.

The children will have the opportunity to bring home self-chosen reading books to read with an adult at home. Children should aim to read at least 2 books each week and then return them to school to change, unless they are reading a longer chapter book.

Children will be bringing home a reading record book for family members to record children's home reading experiences.

HOMEWORK

We are currently reviewing our school homework policy and will inform parents about homework in due course once the policy has been agreed.

For children who are well but isolating, home learning will be signposted weekly on Class Dojo.

WATER BOTTLES

Children should bring water in a named water bottle with a sports cap to school to drink throughout the day.

P.E.

Baobab - Wednesday p.m and Friday a.m

Bonsai - Tuesday p.m and Friday p.m

Children should keep their P.E kit at school on their peg. Details of the school's P.E. kit requirements can be found on the school website.

If you feel you wish to discuss any aspect of the topic or letter above please feel free to contact your child's class teacher.

With best wishes and thanks for your continued support.

Mrs Young and Ms Campbell
