Elm Grove families are feeling the squeeze now more than ever. The PTA are working to help our school community.

We are setting up a free, accessible **FOOD PANTRY**, where families can take what they need, donate when they have spare and work together to reduce food waste. This will be up and running before October half term to help families over the holidays.

We are also funding **FOOD PARCELS** for the Nest to distribute to families in need, and are working to supply all KS2 children with a **HEALTHY SNACK** every day. In addition we are running the **FREE SCHOOL UNIFORM LIBRARY**.

Can you join the effort? Perhaps you can spare an hour once a month to collect pre-ordered food from the supermarket? Or your business can supply materials or expertise to build our weatherproof pantry? Or you can tidy the pantry ad hoc?

If you have any thoughts, ideas or can help in any way, please email elmgrovepta0@gmail.com
